BRITISH
COMPRESSED AIR
SOCIETY

COOKIES POLICY

Revised September 2018

The British Compressed Air Society Ltd website makes use of cookies. A cookie is a small text file or piece of data that a website that you visit can place or save onto your computer. Cookies themselves do not contain any personally identifiable information. However, if you provide such personally identifiable information to us (such as registering for an Internet related service or password provided by us), such information may be linked to the data stored in the cookie. Where you have previously indicated a preference, your preference may be stored in this cookie.

"We may use cookies for a variety of reasons, such as:

- to compile anonymous statistics related to patterns and trends of browsing.
- to analyse sales data;
- to conduct marketing research;
- to user adapt website content or functions;
- to provide assistance to, or track site visits of users, of certain Internet-based services;
- to enable users with passwords to re-enter certain web pages without having to re-type previously typed information.

The British Compressed Air Society Ltd website makes use of a "session cookie" that only exists during the time you are logged in via a web browser, so the website knows who you are and allows access to content if your account permits it. It does not contain any sensitive information about the user.

Analysis of usage data:

The British Compressed Air Society Ltd website uses Google Analytics to provide web statistics to measure how users interact with the website. We use the information to compile reports and help us to improve the website. These cookies collect information in a way that does not directly identify anyone. If you would prefer, you can disable Google Analytics.

Google Tag Manager

British Compressed Air Society Ltd

Unit 14, The Stottie Shed Christon Road, Baker's Yard, Gosforth,
Newcastle Upon Tyne, Tyne And Wear, United Kingdom, NE3 1XD

This website uses Google Tag Manager. Google Tag Manager is a solution operated by Google LLC. 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA ("Google") that allows marketed website tags to be managed using an interface. The Tag Manager tool itself (which implements the tags) is a cookie-less domain and does not register personal data. The tool causes other tags to be activated which may, for their part, register data under certain circumstances, such as Google Analytics. Google Tag Manager does not access this information. If recording has been deactivated on domain or cookie level, this setting will remain in place for all tracking tags implemented with Google Tag Manager.

Advertising Cookies:

This website uses Google Adwords and Microsoft Bing advertisement cookies to show you BCAS.org.uk advertisements as you browse the web, so you can see our latest products and services and any deals we think will be of interest to you. You can manage these cookies using your browser plugin, please see below to find out how.

Preventing the installation of cookies:

You may prevent the installation of cookies by adjusting the settings of your browser; you may also erase cookies from your computer hard drive or amend settings to notify you that a web page contains cookies before a cookie is stored. You may prevent the installation of cookies by adjusting the settings of your browser; you may also erase cookies from your computer hard drive, or amend settings to notify you that a web page contains cookies before a cookie is stored. Further, you may prevent the collection of data generated by cookies (including your IP address) and related to the use of these websites, as well as the processing of such data by Google, by downloading and installing the plug-in under the following link:
